Do you recall there was a long-standing federal 1 2 court case involving Detroit in which Judge 3 Feikens was in effect overseeing Detroit's 4 running of the sewer system? Do you recall such 5 a case? 6 A. Yes. Q. And if I call that the sludge case, is that what 8 it was referred to? 9 Not to my knowledge. A. What did you refer to it as? 10 0. 11 Just an -- the EPA was forcing Detroit to make 12 improvements to the system to clean up the Detroit 13 River. 14 And was Macomb from time to time involved in that 0. 15 case? 16 A. Yes. 17 Do you know why Macomb would get involved? 0. 18 Α. Not exactly sure why, because you're looking at 19 when the initial, I guess, lawsuit was filed by 20 the EPA, which I'm guessing was back in the 70s. 21 It was way before my time. 22 Did Macomb ever assert any claims against Detroit Q. 23 for Detroit's operation or what it considered faulty operation or excess charges in regard to 24 25 the sewer system?

1	Q.	That was iv.
2	Α.	Yes, I see it.
3	Q.	Was it your understanding that Macomb, prior to
4		signing the deal, was entitled to satisfy itself
5		that all operational, financial, environmental,
6		engineering, legal and accounting matters were in
7		order were in accord with what it wanted in
8		regard to the deal?
9	Α,	So your question
10	Q.	Let me rephrase it. Could you satisfy yourself
11		with regard to all these matters, get all the
12		information you wanted? You were entitled to
13		satisfy yourself in regard to all this before you
14		signed the deal, weren't you?
15	Α.	Yes, we were entitled to it.
16	Q.	And you didn't if you had any questions about
17		any of these things, you didn't have to sign the
18		deal?
19	Α.	Well, had we known the information on the 15 Mile
20		Road sewer collapse was inaccurate and was faulty,
21		we probably would have raised an objection, but we
22		take it that what they gave to us was true and
23		accurate and fair.
24	Q.	What information did they give to you wasn't true
25		and accurate and fair?

- 1 A. That the sewer collapse cost \$55 million to
- 2 repair.
- 3 Q. And you don't think it cost that much?
- 4 A. That's correct.
- 5 Q. What do you base that on, your conclusion it
- 6 didn't cost that much?
- 7 A. I had an engineer give me an estimate what they
- 8 thought it would cost to do that job.
- 9 Q. Who was the engineer?
- 10 A. Anderson, Eckstein & Westrick.
- 11 Q. What did they think it would cost to do the job?
- 12 A. They said approximately \$28 million.
- 13 Q. And did they speak to anyone at Detroit before
- 14 arriving at their estimate?
- 15 A. I can't answer that. I don't know.
- 16 Q. Do you know whether or not they were aware that
- 17 various unforeseen difficulties were encountered
- in repairing the system?
- 19 A. Well, they were not aware that someone was getting
- 20 paid for doing no work.
- 21 Q. Well, we could get into that, but let's --
- 22 A. That was brought out in federal court, and it's a
- 23 fact.
- 24 Q. Were they aware that unforeseen difficulties were
- 25 encountered in effecting the repairs? Do you

1	Q.	Well, whether or not you
2	Α.	The buck stops here. I made the decision. And
3		they overcharged.
4	Q.	Okay. Did Misterovich ever complain, to your
5		knowledge?
6	Α.	Misterovich is an attorney.
7	Q.	What does that mean?
8	Α.	He's not a contractor. He's not in the
9		construction industry.
10	Q.	Can you answer my question? Other than what
11		you've testified to, are you aware of any other
12		complaints about the costs?
13	Α.	You know, I probably had rumblings. If you want
14		me to specify the name of a person, I can't do
15		that, but just there were rumblings. There were
16		rumblings.
17		MR. WATSON: All right. That's all
18		I've got.
19		EXAMINATION
20	BY N	MS. BADALAMENTI:
21	Q.	I just have a couple of questions.
22		Commissioner, if you had known about
23		these overcharges, would Macomb have entered into
24		the acquisition agreement on these terms?
25	Α.	Absolutely not. We would have wanted more than

1		that 17 million 17 million? We would have
2		asked for more than \$17 million credit.
3	Q.	If the if you had known that there was an
4		ongoing criminal investigation by the FBI that
5		preceded the acquisition agreement, that had that
6		information been disclosed to you by Detroit
7		prior to September 2nd, 2010, would you have
8		entered into the acquisition agreement?
9	Α.	No. That's for sure not.
10		MS. BADALAMENTI: No further questions.
11		MR. WATSON: Nothing further.
12		(The deposition was concluded at 12:37 p.m.
13		Signature of the witness was not requested by
